THE PROGRAM

Join us for the **California Association of Nurse Anesthetists' Virtual Spring Meeting on May 20 – 21, 2023!** CANA meetings are an opportunity for you to learn from CRNA experts and peers, while our virtual platform allows you to virtually connect with other California CRNAs, NARs, RNs, and our partners through video and text chat. This year's program focuses on the business of anesthesia and opportunities to bring your practice to patients globally.

Topics:

- 1099 vs W2
- Basics of Reimbursement
- Why CRNAs Make the Best Mission Leaders and Organizers
- Speaking the Language of Administrators
- Opportunities in Mission Work
- Garnering an Anesthesia Contract & Contract Negotiations
- Combat Anesthesia – Tales from the Frontline
- Implementing a CAT Model of Care

This educational program is designed to meet the requirements for **10.75 Class A CE credits**. An application for credit hours is pending. Total hours approved are subject to change.
