# What is the IDR Waiver?

(Consolidation Deadline April 30, 2024)

- ALL repayment plans count for prior payment history (huge change)
- Many types of deferment and forbearance can now count (know the 12/36 rule)
- Many borrowers will want to consolidate their loans
- Consolidation loans get credited with at least the “time in repayment” for the loan with the most credit that you consolidated (big opportunity)

# How Big of an Opportunity is the IDR Waiver? (HUGE)

(Consolidation Deadline April 30, 2024)

AT LEAST \$211 billion of student debt could be forgiven under IDR waiver (not dependant on where you work)

This is even more of an opportunity for public sector workers (\$670 billion in repayment at least 10 years)
