

California Association of Nurse Anesthesiology Presents

# California Rural Healthcare *Symposium 2026*

California legislators and stakeholders are invited to this free educational event to examine rural healthcare delivery in California, with a focus on **access to anesthesia care, workforce sustainability**, and policy strategies that **strengthen health equity** in underserved communities.

## What to Expect

- Overview of HR 1 & the State of Rural Health
- Realities of OB & Anesthesia Care in Rural Areas
- Obstacles & Solutions for Rural Facilities
- Updates from Legislators on Current Initiatives

**Jan 21 at 9:00 am**

Sacramento Capitol Swing Space  
+ Livestream via Zoom

**Free Registration**
